

Indiana Department of Education
SUPPORTING STUDENT SUCCESS

NEW PROGRAM ANNUAL REPORT

The annual report will be submitted to the IDOE/DPS no later than October 15th. This report is required for three years or until the new program rolls over into the accreditation review process.

The report should contain the following information:

1. History and review of rationale for the program;
2. Number of students admitted into and completed the program during the preceding year, description of the candidates;
3. Evaluation strategies employed during the year;
4. Significant strengths of the program;
5. Weaknesses of the program; and
6. Proposed program modifications.
